## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Since graduating from Oxford, I have dedicated myself to full-time tutoring, focusing on helping students master complex physics concepts and excel in their exams. I've worked with students from various backgrounds, preparing them for IB Physics SL and HL, A-Level Physics, and AP Physics courses. I've also assisted students with exam preparation, helping them develop confidence in their abilities and improve their performance.

I strive to provide personalized support to each student, ensuring that they fully understand the material and are well-prepared for both coursework and exams. Whether it's reviewing challenging topics or refining problem-solving techniques, my goal is to make physics accessible and engaging for all my students.
