🎓 Experienced Tutor | ETH Zurich | MSc in Mathematics

With an MSc from ETH Zurich and a BSc in Applied Mathematics from the University of Geneva, I bring 10 years of tutoring experience. I specialise in IB, A-Level, IGCSE, and AP Maths, guiding students to confidently tackle difficult topics and succeed in their exams.

Teaches: IB Maths A-Level Maths IGCSE Maths GCSE Maths AP Calculus

Curriculum: IB A-Level GCSE IGCSE AP

## Qualifications

**ETH Zurich:** MSc in Mathematics (2012-2014)

**University of Geneva:** BSc in Applied Mathematics (2008-2012)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

I've been tutoring maths for the past decade, helping students prepare for their IB, A-Level, IGCSE, and AP exams. During this time, I've worked with students from various backgrounds, ensuring they grasp the key concepts needed to excel in their respective curriculums. I specialise in guiding students through complex areas of calculus, algebra, and probability, making sure they build a solid foundation in maths.

My experience spans both classroom and one-on-one tutoring, where I tailor lessons to individual needs. Over the years, I've helped numerous students improve their grades, many of whom have gone on to study at top universities. I focus on creating a supportive learning environment where students feel confident tackling challenging maths problems.

In addition to school-level tutoring, I've assisted students with university entrance exams, such as AP Calculus and IB Maths HL/SL. Many of my students have achieved exceptional results and continued to excel in higher education.
