Tutoring Experience

Over the past several years, I've worked with students from top international schools in Dubai, Sharjah, and Abu Dhabi, helping them excel in IB Business Management and A-Level Business. My students consistently achieve high marks, with many going on to attend prestigious universities worldwide.

In addition to supporting IB and A-Level curricula, I also offer guidance in IGCSE Economics, focusing on building a strong foundation in business concepts. My personalized approach ensures that students are well-prepared for their exams, extended essays, and future academic endeavors.
